Gameplay

The game is a side-scrolling adventure game where players controBugs Bunny on a quest to get to his 50th birthday party. He is armed with a mallet that he can swing at various enemies to defeat them, deflect certain projectiles or destroy bricks. He can also collect hearts to restore his health and carrots for bonus points. He can also land on top of enemies without getting damaged. At the end of most levels, Bugs Bunny has to use his mallet to defeat a Warner Brothers cartoon character such as Foghorn Leghorn, Sylvester, or the Tasmanian Devil. These other Looney Tunes characters are trying to stop Bugs because they are all jealous that Bugs gets all the attention. The gameplay is very similar to *Super Mario Bros. 2*, another game for NES.
